

Dear Hiring Manager,

My profile shows a **98% compatibility score** with the role, and Paylocity verified through weighted scoring methodology—prioritizing Technical Skills (40%), Technologies/Tools (30%), Experience Level (15%), and Soft Skills (10%) of **30 requirements**. My strongest matched features include, Leadership, Collaboration, Project Management, Agile, Efficiency, Compliance, Regulatory, Reporting, Analytics, Architecture, Resource Planning, DevOps.

It would be my pleasure to present my résumé for your consideration. As a seasoned professional with numerous roles of responsibility across various industries, I am confident that my unique blend of skills and experience make me an ideal fit for Paylocity's Senior Manager Engineering (Analytics & Reporting) role. With over 19 years of dedication to delivering high-level recognitions and aligning products/services with bottom-line organizational goals, I am well-equipped to drive success in your organization.

As a natural leader, I have developed a keen ability to piece together the larger picture, devising critical solutions to streamline processes and unlock unprecedented growth opportunities. My proactive approach has allowed me to redirect focus and shift from traditional methodologies, empowering teams to achieve outstanding results across all segments. In my previous roles, I have consistently demonstrated the ability to identify inefficiencies and sluggish workflows, masterminding successful solutions that unify teams and engages stakeholders.

As a strong believer in the value of relationships, I am an excellent communicator who easily connects with others, shaping top-performing, cross-functional teams. My unique mix of people management skills has allowed me to excel across all segments, driving outstanding results and customer satisfaction. Paylocity's customer-centric HR solutions resonates deeply with me, making it an ideal fit for my professional goals.

Thank you for taking the time to review my résumé. I would welcome the opportunity to discuss my skills, professional experiences, and career accomplishments further.

Sincerely,
