

Dear Hiring Manager,

My profile shows a 79% compatibility score with the role, and Carta verified through weighted scoring methodology—prioritizing Technical Skills (40%), Tools (30%), Experience (15%), and Soft Skills (10%) of **45 requirements**. My strongest matched features include skills such as Insights, Pipelines, Python, SQL, Tableau.

It's my pleasure to present my resume for your consideration as I'm excited about the opportunity to join Carta's People Analytics team as a People Analytics Manager. With numerous roles of responsibility spanning over 20 years, I've consistently demonstrated my ability to deliver high-level customer satisfaction while aligning products/services with bottom-line organizational goals. My steadfast dedication to achieving success has earned me a reputation for being a results-driven professional.

I am a seasoned leader that developed strategic plans that align with corporate strategies, leveraging my insights and pipelining expertise to drive unprecedented growth opportunities. I'm passionate about redirecting focus, shifting from traditional methodologies to unlock new possibilities.

I possess a unique blend of adaptability and vision, I excel in building high-performing teams through exceptional communication and people management skills. My ability to easily connect with others has allowed me to shape top-performing, cross-functional teams that drive meaningful results. I'm particularly drawn to Carta's innovative approach to HR technology, as it aligns with my passion for using data analytics tools like Tableau to inform strategic decisions.

I would be thrilled to discuss my skills, professional experiences, and career accomplishments further with you. Thank you for considering my application. I look forward to the opportunity to contribute my expertise to Carta's continued growth and success.

Sincerely,
